

Health Care Fee Schedule for Alaska Heart Institute 2020

This notice is being posted in accordance with AS 18.23.400 Disclosure and reporting of health care services, prices, and fee information.

Effective January 1, 2020 and until further notice, Alaska Cardiovascular Surgery Center owned by Alaska Heart Institute charges the undiscounted fees for the listed health care services provided in this document.

You will be provided an estimate of the anticipated charges for your non-emergency care upon request. Please do not hesitate to ask for information.

The undiscounted prices listed below may be higher or lower than the amount an individual actually pays for the health care services described.

CPT Code	Description	Facility Price
33208	A permanent cardiac pacemaker system is inserted or replaced, including placement of electrodes (leads). Permanent pacemaker systems may be single chamber (atrial or ventricular) or dual chamber (atrial and ventricular) systems. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$46,685.00
33225	Insertion of pacing electrode, cardiac venous system, for left ventricular pacing, at time of insertion of implantable defibrillator or pacemaker pulse generator. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$48,975.00
33228	A permanent pacemaker pulse generator is removed and a new pulse generator is inserted. This code is used for generator replacement of a dual lead system. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$35,490.00
33229	A permanent pacemaker pulse generator is removed and a new pulse generator is inserted. This code is used for generator replacement of a multiple lead system. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$36,455.00
33241	Removal of implantable defibrillator pulse generator only. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$8,515.00
33249	Insertion or replacement of one or more electrode leads for a single or dual chamber permanent implantable defibrillator with a pulse generator. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$148,065.00
33263	Removal of an automatic implantable defibrillator with replacement of a new dual lead system. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$99,655.00
33264	Removal of automatic implantable defibrillator with replacement of a multiple lead system. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$99,655.00
33285	Insertion of a subcutaneous cardiac rhythm monitor, also known as a cardiac event recorder or implantable loop recorder. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$28,422.00
33286	Removal of subcutaneous cardiac rhythm monitor, also known as a cardiac event recorder or implantable loop recorder. *When performed at the surgery center, additional fees may apply. Please ask for a written estimate on your scheduled procedure.	\$4,213.00
